FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Kenneth Barbosa in the office of the State Engineer on December 2, 2004, together with the statutory filing fee of \$100.00. Receipt No. 18284 was issued to Humboldt Drilling and Pump Co., Inc. for said filing fee.

Requests for four references were mailed on December 3, 2004. References were received from all of the requests. The applicant was notified on April 20, 2005 by certified mail to appear before the Statewide Well Drillers' Advisory Board on May 12, 2005 at 8:00 a.m. in Carson City, Nevada. The certified mail receipt was signed by Michelle Strother on April 26, 2005.¹

The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Drillers' Advisory Board recommended denial of the application of Kenneth Barbosa on May 12, 2005.²

RULING

The State Engineer concurs with the recommendation of the Board and pursuant to NAC § 534.282 (2), the application of Kenneth Barbosa is herewith denied on the grounds that the applicant failed to appear as scheduled to substantiate his experience and ability as a water well driller.

Respectfully submitted,
