General:

Applications 19582, 19583 and 19584 were filed in support of Desert Land Application Nevada-050681. On May 14, 1962, we were notified by the Bureau of Land Management, Reno, Nevada, that they had not taken action on the land application. As of the date of this ruling, the applicant does not have control of the land on which he plans to place the water to beneficial use.

R U L I N G

Applications 19582, 19583 and 19584 are hereby denied on grounds that the applicant does not have control of the land on which he plans to place the water to beneficial use and that their granting would be detrimental to the public welfare.
