General:

323 Application 18602 was filed in support of Desert Land Application Nevada-045519. On August 4, 1961, we were notified by the Bureau of Land Management, Reno, Nevada, that they had closed the land application. As of the date of this ruling, the applicant does not have control of the land on which he plans to place the water to beneficial use.

R U L I N G

Application 18602 is hereby denied on grounds that the applicant does not have control of the land on which he plans to place the water to beneficial use, and that its granting would be detrimental to the public welfare.
