

575

IN THE MATTER OF APPLICATION 19927
FILED JUNE 19, 1961, BY CLIFFORD
MARSHAL TATE TO APPROPRIATE WATER
FROM AN UNDERGROUND SOURCE FOR IR-
RIGATION AND DOMESTIC PURPOSES IN
ESMERALDA COUNTY, NEVADA.

R U L I N G

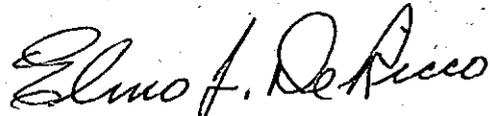

General:

Application 19927 was filed in support of Desert Land Application Nevada-056365. On June 29, 1962, we were notified by the Bureau of Land Management, Reno, Nevada, that they had cancelled the land application. As of the date of this ruling, the applicant does not have control of the land on which he plans to place the water to beneficial use.

RULING

Application 19927 is hereby denied on grounds that the applicant does not have control of the land on which he plans to place the water to beneficial use, and that its granting would be detrimental to the public welfare.

Respectfully submitted,

ELMO J. DERICCO
Acting State Engineer
