RULING

FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Roy Rodriguez in the office of the State Engineer on June 5, 2008, together with the statutory filing fee.¹

Requests for four references were mailed on June 5, 2008. Responses were received from three of the requests. The Applicant was notified October 15, 2008, to appear before the Statewide Well Drillers' Advisory Board on November 14, 2008, at 8:00 a.m. in Las Vegas. The applicant did not appear as requested, nor did he notify the Office of the State Engineer that he would not appear. The Statewide Well Drillers' Advisory Board recommended denial of the application of Roy Rodriguez on November 14, 2008.²

CONCLUSION

The State Engineer concludes that the Applicant failed to pass all three portions of the examination as required in the NAC § 534.282 (1) (g), (2) (b) and NAC § 534.286.

RULING

The State Engineer concurs with the recommendation of the Statewide Well Driller's Advisory Board and the application of Roy Rodriguez is herewith denied on the grounds that the Applicant failed to substantiate his experience and ability as a water well driller.

Respectfully submitted,

Tracy Taylor, P.E.
State Engineer
