The above-numbered applications were submitted for action to the Las Vegas Valley Ground Water Board at their regular monthly meeting in December, 1963. At this meeting the Las Vegas Valley Ground Water Board recommended that the applications be denied on grounds that water is available from the City of North Las Vegas.

Applications 19532 & 19533 are herewith denied on grounds that the granting of the applications would impair the value of existing water rights in the Las Vegas Artesian Basin and would be detrimental to the public welfare.
