General:

Application 20669 was filed on August 27, 1962, by Margaret Barber in support of Desert Land Entry Nevada 045427 for the irrigation of 160 acres and for domestic purposes. The proposed point of diversion is in the NE $\frac{1}{4}$  SW $\frac{1}{4}$  Section 32, T. 42 N., R. 37 E., M.D.B. & M.

The Bureau of Land Management rejected Desert Land Entry No. 045427 by a decision dated September 6, 1963, stating that there was insufficient available water for the irrigation of additional land in the valley.

The result of this decision by the Bureau of Land Management is that the applicant does not own or control the land on which water under this application is proposed to be used.
