FILED TO APPROPRIATE WATERS OF AN )  
UNNAMED SPRING IN ELKO COUNTY, )  
NEVADA. )

R U L I N G

General:

Application 16075 was filed February 14, 1955 by Carmen Bajoneta to appropriate 0.5 c.f.s. of water from an unnamed spring for domestic purposes.

A protest to the application was filed on September 6, 1956 by Burton A. Ladd, Superintendent, Nevada Indian Agency and on September 17, 1956 by the Elko County School Board.

There are no existing rights of record on the proposed source of supply. The water available is, therefore, subject to appropriation and granting of Application 16075 would not conflict with existing rights.

RULING

The protests to Application 16075 are overruled and a permit will be issued upon receipt of the statutory permit fee.

Respectfully submitted,

  
Roland D. Westergard  
Assistant State Engineer

November, 1966.
