GENERAL:

Application 23613 was filed January 16, 1967, by Mrs. Votty Pratt for permission to appropriate 5.4 c.f.s. of water from an underground source for irrigation (320 acres) and domestic purposes. The point of diversion is described as being within the NE $\frac{1}{4}$ SW $\frac{1}{4}$ Section 36, T. 7 N., R. 60 E., M.D.B. & M. The place of use is described as being within the S $\frac{1}{2}$ Section 36, T. 7 N., R. 60 E., M.D.B. & M. Application 23613 was filed in support of Desert Land Entry 056848 with the U. S. Bureau of Land Management, Nevada Land Office, Reno, Nevada. The Division of Water Resources received an undated form letter on March 21, 1967, from the Bureau of Land Management stating that the land entry had been cancelled and the case was dead.

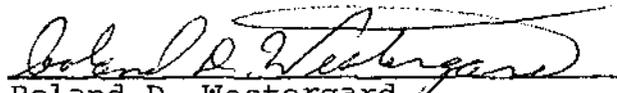

RULING

Application 23613 is herewith denied on the grounds that the applicant does not have control of the land on which the applicant plans to place the water to beneficial use, and the granting of this application would be detrimental to the public welfare.

Respectfully submitted,
