EVANS TO APPROPRIATE WATER FROM MICA }
SPRING, IN NYE COUNTY, NEVADA. }

R U L I N G

General:

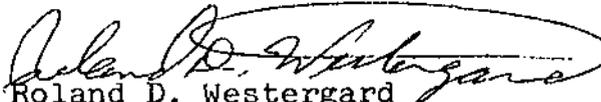

Application No. 148 was filed on July 7, 1906 by Jacob Schmidt and C. R. Evans to appropriate all of the flow of Mica Spring. The proposed point of diversion, manner, and place of use were described on the application.

A letter dated July 26, 1968 was sent by certified mail to the best available address for the applicants requesting additional information necessary before a permit could be issued under this application. This letter was returned, stamped "unknown", by the Post Office Department. It is the responsibility of the applicants or their successors in interest to keep this office informed of their current mailing address.

RULING

Application No. 148 is herewith denied on the grounds that the applicant or their successors in interest failed to submit requested information and the approval of this application, without said information, would be detrimental to the public welfare.

Respectfully Submitted,

Roland D. Westergard
State Engineer
