GENERAL:

46 Application 7892 was filed on September 16, 1924 for 1000 acre feet of water for irrigation and domestic purposes. The proposed source is Favre Lake and tributaries. The proposed point of diversion was not stated. The 1000 acres described under the place of use are within the Sections 13, 14 and 24, T. 31 N., R. 56 E., M.D.B.&M.

A letter was sent to the applicant on October 4, 1968 by certified mail requesting additional information necessary before action could be taken on this application. The letter was returned by the Postal Department stamped, "unclaimed". It is the responsibility of the applicant or his successor in interest to keep this office informed of their current mailing address.

RULING

Application 7892 is herewith denied on the grounds that the applicant or his successor in interest failed to submit the information requested and the approval of this application without the information requested, would be detrimental to the public welfare.

Respectfully submitted,

  
Roland D. Westergard  
State Engineer
