Application 21394 was filed July 17, 1963 by Washoe Water Service, Inc. to appropriate 2.0 cfs of water for quasi-municipal (sub-division) and domestic purposes. The proposed point of diversion is within the SE $\frac{1}{4}$ NE $\frac{1}{4}$ Section 8, T. 20 N., R. 19 E., M.D.B.&M. The proposed place of use is within a portion of the NE $\frac{1}{4}$ Section 8, T. 20 N., R. 19 E., M.D.B.&M. This application was filed to serve 400 family dwellings.

The applicant was contacted by certified mail on June 12, 1968 requesting information regarding a certificate of public convenience and necessity. No reply was received. The public service commission was contacted by letter, dated June 28, 1968 requesting information regarding an application by Washoe Water Service, Inc. for a certificate of public convenience and necessity. Their reply, dated July 12, 1968 states that no valid application or certificate is of record by Washoe Water Service, Inc. for the above described place of use.

RULING

Application 21394 is denied on the grounds that the applicant failed to submit information as requested and the granting of a permit under this application without subject information would be detrimental to the public welfare.

Respectfully submitted,

Roland D. Westergard
State Engineer
