GENERAL:

Application 6720 was filed by Ed Malley, trustee on July 17, 1922 to appropriate 5.0 c.f.s. of water from the North Fork of Zephyr Cove Creek for power, irrigation and domestic purposes. Water is to be diverted from its source within the SE $\frac{1}{4}$ NE $\frac{1}{4}$  Section 3, T. 13 N., R. 18 E., M.D.B.&M. The place of use is described as within the fractional W $\frac{1}{2}$  Section 34, T. 14 N., R. 18 E., M.D.B.&M. Protest to the granting of this application was filed by the Carson and Tahoe Lumber and Fluming Company on August 22, 1922. Application 6720 now stands in the name of the Carson and Tahoe Lumber and Flume Company, as the owner of record by proper assignment filed in this office.

A letter was sent to the Carson and Tahoe Lumber and Flume Company on October 30, 1969 by certified mail requesting additional information necessary before further action could be taken on Application 6720. The letter of October 30, 1969 was returned unopened to this office on November 5, 1969.

RULING

Application 6720 is herewith denied on the grounds that the applicant or successors in interest have failed to submit the information requested, and the approval of this application without the information requested would be detrimental to the public welfare.

Respectfully submitted,

  
Roland D. Westergard  
State Engineer
