R U L I N G

GENERAL:

An application for a Nevada Well Driller's License was received in this office on February 26, 1973, with the statutory \$25.00 fee from Marvin Breier, 251 Haskel Street, Winnemucca, Nevada. Receipt No. 3639 was issued on February 26, 1973, to the applicant.

Requests for references were forwarded to five (5) persons listed on the application on February 26, 1973. One response was received to the requests for reference. The letters for reference were returned unclaimed by the addressee.

Mr. Breier stated in his application that he was licensed as a well driller in Idaho. In response to our letter of inquiry dated March 1, 1973, the Idaho Department of Water Administration advised by letter dated March 5, 1973, that Mr. Marvin Breier was licensed to drill wells in Idaho prior to July 1, 1967, the date that present licensing requirements were adopted.

Mr. Breier was advised by certified mail dated March 14, 1973, that the Statewide Well Drillers' Advisory Board had reviewed his application at Meeting No. 1-73 on March 9, 1973, and that the Advisory Board requested the applicant to submit the names of at least three (3) persons for reference having knowledge of his ability and experience as a well driller.

By certified mail dated May 23, 1973, Mr. Breier was advised that his application would be considered and scheduled his appearance for an oral interview at Meeting No. 2-73 of the Statewide Well Drillers' Advisory Board on June 8, 1973, and again requested the applicant to submit the names of at least three (3) persons having knowledge of his ability and experience as a well driller. By letter dated May 31, 1973, Mr. Breier submitted three (3) additional names for reference and advised he would appear before the Advisory Board as scheduled on June 8, 1973.

Two responses were received to the requests for reference of those three persons listed by Mr. Breier's letter of May 31, 1973, one unsatisfactory. Mr. Breier did not appear as scheduled on June 8, 1973, before the Advisory Board. The Advisory Board recommends denial of the application by Mr. Marvin Breier for a well driller's license.

RULING

The application for a Nevada Well Driller's License filed by Marvin Breier is herewith denied on the grounds that the applicant failed to submit satisfactory references and failed to appear before the Statewide Well Drillers' Advisory Board for an oral interview and therefore it cannot be determined that the applicant has sufficient knowledge and experience to qualify as a well driller.

Respectfully submitted,

Roland D. Westergard
State Engineer
