

IN THE MATTER OF APPLICATION FOR)
A WELL DRILLER'S LICENSE FILED)
ON JUNE 14, 1973, BY CHARLES A.)
DIMICK, LAS VEGAS, CLARK COUNTY,))
NEVADA.)

R U L I N G

GENERAL

An application for a Nevada well driller's license was received in this office on June 14, 1973, with the statutory \$25.00 fee from Charles A. Dimick, 5434 W. Alexander, Las Vegas, Nevada 89106. Receipt No. 3839 for the \$25.00 fee was issued on June 14, 1973, to V. H. Dimick.

Requests for references were forwarded to four (4) persons or firms, as listed on the application, on June 14, 1973. Three responses were received to the requests for reference.

The applicant was advised by certified mail dated August 24, 1973, that a time was set on the agenda for him to appear for an oral interview before the Statewide Well Drillers' Advisory Board at the regular meeting scheduled for September 7, 1973. By this letter, notice was also given that the Advisory Board requires at least four (4) satisfactory references from persons having knowledge of the applicant's ability and experience as a well driller and requested the names of at least two (2) additional persons for reference.

The applicant failed to appear as scheduled before the Statewide Well Drillers' Advisory Board for an oral interview or to submit the names of at least two persons for reference.

By certified mail dated September 11, 1973, the applicant was again requested to submit the names of at least two persons for reference and to provide an explanation of the drilling of ten (10) wells as indicated on the application. No response has been received to the letter of September 11, 1973, requesting additional information.

RULING

The application for a Nevada well driller's license filed by Charles A. Dimick is herewith denied on the grounds that the applicant failed to submit the required number of satisfactory references and failed to appear before the Statewide Well Drillers' Advisory Board for an oral interview and therefore, it cannot be determined that the applicant has sufficient knowledge and experience to qualify as a well driller.

Respectfully submitted,

Roland D. Westergard
State Engineer
