

IN THE MATTER OF APPLICATION)
29640 FILED BY ELEANORE A.)
WIEDMANN FOR UNDERGROUND)
WATERS IN OROVADA SUBAREA,)
QUINN RIVER VALLEY, NEVADA.)

R U L I N G

GENERAL:

Application 29640 was filed on September 12, 1975 by Eleanore A. Wiedmann, to appropriate 5.0 c.f.s. of the waters of an underground source to be diverted within SE $\frac{1}{4}$ SE $\frac{1}{4}$ Section 19, T.42N., R.37E., and to be used for the irrigation of 840 acres located within the W $\frac{1}{2}$ W $\frac{1}{2}$ Section 20, S $\frac{1}{2}$ S $\frac{1}{2}$ SE $\frac{1}{4}$ Section 19, E $\frac{1}{2}$ and E $\frac{1}{2}$ W $\frac{1}{2}$ Section 30, W $\frac{1}{2}$ W $\frac{1}{2}$ Section 29, T.42N., R.37E., M.D.B.&M. and domestic purposes.

The proposed appropriation under this application is within the Orovada Subarea of the Quinn River Valley Drainage Basin. Approved appropriations from ground water within the Orovada Subarea exceed the perennial yield of the area.

OPINION:

It is our opinion that the granting of additional appropriations in an area where existing approved appropriations exceed the perennial yield of the area would tend to impair the value of existing rights and be otherwise detrimental to the public welfare.

RULING:

Application 29640 is hereby denied on the grounds that its granting would tend to impair the value of existing rights and be otherwise detrimental to the public welfare.

Respectfully submitted,

Roland D. Westergard
State Engineer
