

IN THE MATTER OF)
ROBERT E. DUCRET,)
WATER RIGHT SURVEYOR NO.)
688)

RULING

GENERAL

An Application for Appointment as a State Water Right Surveyor was received from Robert C. Ducret February 17, 1983. This application was reviewed and approved by this office on April 27, 1983 and notice sent that date.

Certificate No. 688 was signed on May 4, 1983 by Peter G. Morros, State Engineer. This certificate was forwarded to Robert C. Ducret on or about May 4, 1983.

A letter was sent on May 13, 1983 informing that a renewal of the appointment as a water right surveyor was to be "...received by this office on or before June 30, 1983..." or the Water Right Surveyor's license would be cancelled. This letter was sent by Certified Mail No. P369 805 261. This letter added that "(T)his will be the only notification you will receive with reference to renewal of your certificate."

A letter from Robert E. Ducret was received on October 18, 1983 indicating that he did not receive his renewal form. The letter also stated no intention of letting this license expire or be cancelled.

CONCLUSION

The return-receipt card from Certified Mail No. P369 805 261 has not been received by this office to date. The letter was not returned as being undeliverable or any other reason. There is no evidence that this certified letter was received by Robert E. Ducret.

RULING

The cancellation of Water Right Surveyor Certificate No. 688 is hereby rescinded upon submission of a renewal form and the fee of \$10 for renewal of Water Right Certificate No. 688. This renewal must be submitted to this office within thirty (30) days from the date of this Ruling. If the renewal is not received on or before the above-established date, the Water Right License of Robert C. Ducret will remain cancelled.

Respectfully submitted,

PETER G. MORROS
State Engineer
