RULING

FINDING OF FACTS

An application for a Nevada well driller's license was filed by Ben R. Gardner in the Office of the State Engineer on July 2, 1987, together with the statutory filing fee of \$50.00. Receipt No. 9118 was issued to Ben R. Gardner for said filing fee.

Requests for four references were mailed on July 2, 1987. A response was received from two of the individuals. The applicant was notified by certified mail to appear before the Statewide Well Drillers' Advisory Board on October 9, 1987 and January 8, 1988.

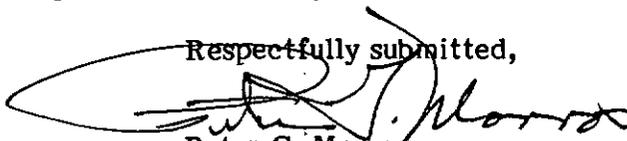

CONCLUSIONS

The applicant was notified by certified mail to appear before the Statewide Well Drillers' Advisory Board for an oral interview on October 9, 1987 and January 8, 1988. The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Drillers' Advisory Board recommends denial of the application of Ben R. Gardner.

RULING

The application of Ben R. Gardner is herewith denied on the grounds that the applicant has failed to substantiate his experience and ability as a water well driller.

Respectfully submitted,
