RULING

FINDING OF FACTS

An application for a Nevada well driller's license was filed by David J. Burns in the Office of the State Engineer on January 8, 1988, together with the statutory filing fee of \$50.00. Receipt No. 9156 was issued to David J. Burns for said filing fee.

Requests for four references were mailed on January 8, 1988. A response was received from two of the individuals. The applicant appeared before the Statewide Well Drillers' Advisory Board on January 8, 1988 and was asked to return at the next meeting of the Board.

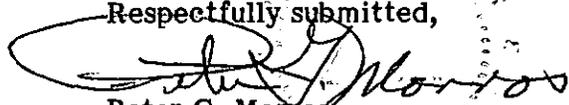

CONCLUSIONS

The applicant was notified by certified mail to appear before the Statewide Well Drillers' Advisory Board for an oral interview on April 7, 1988. The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Drillers' Advisory Board recommends denial of the application of David J. Burns.

RULING

The application of David J. Burns is herewith denied on the grounds that the applicant has failed to substantiate his experience and ability as a water well driller.
