FINDING OF FACT

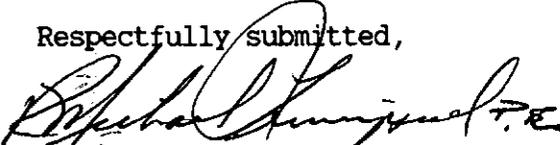

An application for a Nevada Well Driller's License was filed by Josh Burrows in the office of the State Engineer on March 30, 1990 together with the statutory filing fee of \$50.00. Receipt No. 10152 was issued to Environmental West Exploration for said filing fee.

Requests for four references were mailed on March 30, 1990. References were received from four of the requests. The applicant was notified on August 28, 1990 by certified mail to appear before the Statewide Well Drillers' Advisory Board on October 11, 1990 at 9:30 A.M. in Carson City, Nevada. The certified mail receipt was signed by L. McCathren on August 31, 1990.¹

The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Driller's Advisory Board recommended denial of the application of Josh Burrows on October 11, 1990.²

RULING

The State Engineer concurs with the recommendation of the Board and the application of Josh Burrows is herewith denied on the grounds that the applicant failed to appear as scheduled to substantiate his experience and ability as a water well driller.
