FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Nick Kendall in the office of the State Engineer on October 9, 1990 together with the statutory filing fee of \$50.00. Receipt No. 10638 was issued to Great Basin Drilling Co. for said filing fee.

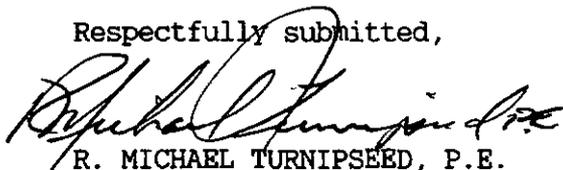

Requests for four references were mailed on October 9, 1990. References were received from three of the requests. The applicant was notified on December 17, 1990 by certified mail to appear before the Statewide Well Drillers' Advisory Board on January 11, 1991 at 10:00 A.M. in Las Vegas, Nevada. The certified mail receipt was signed by Penny Kendall on December 20, 1990.<sup>1</sup>

The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Driller's Advisory Board recommended denial of the application of Nick Kendall on January 11, 1991.<sup>2</sup>

RULING

The State Engineer concurs with the recommendation of the Board and the application of Nick Kendall is herewith denied on the grounds that the applicant failed to appear as scheduled to substantiate his experience and ability as a water well driller.
