RULING

FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Timothy B. Lapp in the office of the State Engineer on December 17, 1990 together with the statutory filing fee of \$50.00. Receipt No. 10654 was issued to Lang Exploratory Drilling for said filing fee.

The applicant was notified on March 25, 1991 by certified mail to appear before the Statewide Well Drillers' Advisory Board on April 12, 1991 at 2:00 p.m. in Las Vegas, Nevada.¹

The State Engineer finds that the applicant cancelled for the examination April 12, 1991. The State Engineer finds that attempts were made by his staff to schedule Mr. Lapp for the October 3, 1991 and January 9, 1992 Statewide Well Drillers' Advisory Board Meetings, but staff was advised that Mr. Lapp would be unable to attend.¹

The State Engineer finds that Mr. Lapp was issued Temporary Well Drillers' license No. 1733T-1 for the periods December 18, 1990 to January 11, 1991, and January 22, 1991 to April 12, 1991.¹

The applicant was requested by certified mail September 1, 1993 to state his intentions within 30 days regarding a water well drilling license in the State of Nevada. The certified mail receipt was signed by Kris Lapp on September 8, 1993.¹

The State Engineer finds that the applicant did not answer the September 1, 1993 letter requesting his license intentions.¹

After considering this application the Statewide Well Driller's Advisory Board recommended denial of the application of Timothy B. Lapp on October 14, 1993.²

¹ Well driller license file is public record in the office of the State Engineer.
