

OFFICE OF THE STATE ENGINEER
OF THE STATE OF NEVADA

IN THE MATTER OF APPLICATION FOR A)
WELL DRILLER'S LICENSE FILED BY)
MARSHA ANITA EPPLER)

RULING #4133

FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Marsha Anita Eppler in the office of the State Engineer on February 24, 1992 together with the statutory filing fee of \$100.00. Receipt No. 11199 was issued to Marsha A. Eppler for said filing fee.

The applicant was notified on March 18, 1992 by certified mail to appear before the Statewide Well Drillers' Advisory Board on April 9, 1992 at 4:00 P.M. in Carson City, Nevada.¹

The applicant appeared as scheduled and was examined by the Board. Based upon the applicant's responses to questions about the Regulation and drilling equipment and practices, the Board finds that the applicant failed to demonstrate a good knowledge of the Regulation and experience as a well driller and recommended that her application be held over for consideration at a future Board meeting.²

The applicant was notified on October 19, 1992 by certified mail to again appear before the Statewide Well Drillers' Advisory Board on November 5, 1992 at 10:30 a.m. in Carson City, Nevada.¹ The applicant's scheduled interview was timely cancelled October 23, 1992.

By certified mail dated March 18, 1994, the applicant was sent an inquiry to determine her interest in obtaining a well drillers license. She was requested to notify the State Engineer's Office in writing within 30 days if she wished to be examined for a license. The certified mail receipt was signed by C.E. Eppler on March 23, 1994.¹

There has been no response to this letter.¹

¹ Well driller license file is public record in the office of the State Engineer.

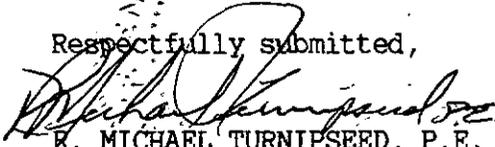

² Statewide Well Drillers' Advisory Board minutes, Eppler's portion, April 9, 1992, filed in well driller license file.

Ruling
Marsha Anita Eppler

RULING

The State Engineer hereby denies the application of Marsha Anita Eppler. This ruling does not preclude the applicant from refiling another application.

Respectfully submitted,

R. MICHAEL TURNIPSEED, P.E.
State Engineer
