RULING # 4834

FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Gene Steven Golar in the office of the State Engineer on April 22, 1999 together with the statutory filing fee of \$100.00. Receipt No. 15119 was issued to Beylik Drilling Inc. for said filing fee.

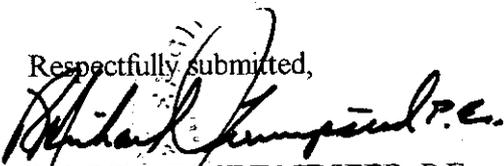

The applicant was notified on October 7, 1999 by certified mail to appear before the Statewide Well Drillers' Advisory Board on November 5, 1999 at 8:00 a.m. in Las Vegas, Nevada.<sup>1</sup>

The applicant appeared as scheduled and was examined by the Board. Based upon the applicant's responses to questions about the Regulation and drilling equipment and practices, the Board finds that the applicant failed to demonstrate a good knowledge of the Regulation and experience as a well driller. The Statewide Well Driller's Advisory Board recommended denial of the application of Gene Steven Golar on November 5, 1999.<sup>2</sup>

RULING

The State Engineer concurs with the recommendation of the Board and the application of Gene Steven Golar is herewith denied on the grounds that the applicant failed to substantiate his experience and ability as a water well driller.

Respectfully submitted,

  
R. MICHAEL TURNIPSEED, P.E.  
State Engineer
