FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Winston Hall in the office of the State Engineer on November 20, 2000 together with the statutory filing fee of \$100.00. Receipt No. 16203 was issued to PC Exploration Inc. for said filing fee.

Winston Hall previously held Nevada Well Drilling License No. 2020 which expired July 1, 2000. Mr. Hall was working for another company when the application was filed to reinstate License No. 2020 on November 20, 2000. This application was found to be incomplete and telephone efforts to complete the application were unsuccessful. On April 25, 2001, a letter was sent to the applicant requesting information to complete the application and advising him that he would be scheduled to appear before the Statewide Well Drillers' Advisory Board.<sup>1</sup>

The applicant was notified on July 16, 2001 by certified mail to appear before the Statewide Well Drillers' Advisory Board on August 10, 2001 at 8:00 a.m. in Carson City, Nevada. The certified mail receipt was signed by Sandy Henz on July 19, 2001.<sup>1</sup>

The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Drillers' Advisory Board recommended denial of the application of Winston Hall on August 10, 2001.<sup>2</sup>

RULING

The State Engineer concurs with the recommendation of the Board and pursuant to NAC § 534.282 Subsection 2, the application of Winston Hall is herewith denied on the grounds that the applicant failed to appear as scheduled to substantiate his application for a water well driller.

Respectfully submitted,
