General:

153 Application 19198 was filed by Allene Vickers Briscoe in support of her approved Desert Land Entry Nevada 051260. The proposed point of diversion under this application is within 500 feet of the point of diversion of Permit 18862 issued to Wanda Jo Doty.

It is the opinion of this office that the granting of this application would interfere with existing water rights.

RULING

Application 19198 is herewith denied on grounds that its granting would impair the value of existing water rights and would be detrimental to the public welfare.

Respectfully submitted,
