General:

07
In compliance with NRS 533.435 three notices for permit fees were sent to F. M. Fulstone, Inc. They were mailed January 30, 1962, April 11, 1962, and May 14, 1962. The third and final notice carried the provision that if the fee was not submitted within thirty days of the date of the notice, the application would be canceled; this notice was sent by certified mail. As of this date the permit fee has not been received.

RULING

Application 15717 is herewith denied on the grounds that applicant has failed to submit the statutory permit fee.

Respectfully submitted,

EILMO J. DeRICCO
State Engineer
