General:

Application 14464 was filed in support of Desert Land Application Nevada-010655. On February 4, 1958, we were notified by the Bureau of Land Management, Reno, Nevada, that they had cancelled and closed the land application. As of the date of this ruling, the applicant does not have control of the land on which he plans to place the water to beneficial use.

RULING

Application 14464 is hereby denied on grounds that the applicant does not have control of the land on which he plans to place the water to beneficial use, and that its granting would be detrimental to the public welfare.

Respectfully submitted,

GEORGE W. HENNEN
State Engineer
