On May 25, 1959 and again on September 27, 1966, the State Engineer received notification from the Department of the Air Force that the point of diversion and place of use shown under Application 11691 lie within the Nellis Air Force Range and that the United States Air Force has extinguished all outstanding interests within the Nellis Air Force Range Area and will not authorize entrance to anyone interested in obtaining private interests or otherwise.

RULING

Application No. 11691 is hereby denied on the grounds that the granting of the Application would be detrimental to the public interest.

Respectfully Submitted,
