Two letters dated February 16, 1967, from the Bureau of Land Management do not list Javier Goyeneche as a range user at the present time. A total of fourteen (14) range users are listed by the Bureau of Land Management as having valid range use permits. All fourteen range users within the area of the above eleven applications have been notified by certified mail of the status of these applications. The Dean Estate Company as protestant to Application Nos. 6274, 6275, 6276 and 6277 have also been notified by certified mail of the status of these applications. Mr. Javier Goyeneche has been notified by certified mail of the status of the eleven pending applications.

Bureau of Land Management letters dated February 16, 1967, and February 24, 1967, respectively, recommend rejection of the eleven pending applications filed by Javier Goyeneche on the grounds that Mr. Goyeneche no longer has an interest in the livestock business in the area of the above subject applications.

RULING

Application Nos. 6274 through 6284, inclusive, filed September 29, 1920, by Javier Goyeneche for stockwatering and domestic purposes are hereby denied on the grounds that the applicant does not have grazing privileges within the area

serviced by said applications and that the granting thereof would be detrimental to the orderly operation of a common range and to the public welfare.
