IN THE OFFICE OF STATE ENGINEER

CARSON CITY, NEVADA.

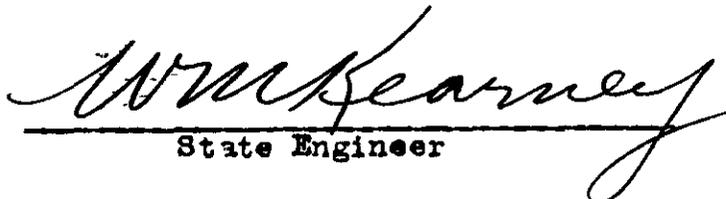

In the Matter of the Determination of the Relative Rights in and to the waters of the Humboldt River and its Tributaries.	}	ORDER extending time for filing contests.
--	---	---

Good cause appearing therefor, the State Engineer, on his own motion and initiative, hereby grants a general extension of time for the filing of contests in the above-entitled matter.

Owing to the pending court procedure involving the constitutionality of the law authorizing the said above determination and the lack of knowledge as to the date when the same will be decided by the court, in which it is pending, no date will be set for the filing of contests but the same will be left open and supplemental notice will be given at a future date setting the time within which said contests or any contests in the above matter must be filed.

By order of the State Engineer.

Dated this 29th day of April, A. D. 1916.

 State Engineer
