Application 19605 was filed on February 28, 1961, for permission to appropriate the public waters of the State of Nevada. A permit was granted under the provisions of NRS 534.120 and issued subject to revocation when water was available from the Las Vegas Valley Water District. Water is now available from the Las Vegas Valley Water District.

By notice of June 13, 1972, you were advised of the necessity of terminating withdrawals of underground water under Permit 19605 and of making application to the Las Vegas Valley Water District for water service. No such application has been received by the District.

Therefore, in accordance with the terms of Permit 19605 and our notice of June 13, 1972, it is hereby ordered that Permit 19605 is revoked and no further proceedings shall be had thereunder.
