

IN THE OFFICE OF THE STATE ENGINEER
STATE OF NEVADA

ORDER

United States Indian Service
Carson Indian Agency
Stewart, Nevada

Certificate 2855 (Permit 10612) was issued for 0.03 c.f.s. of water from an underground source for quasi-municipal purposes. The point of diversion of water from the source is described as being within the NW $\frac{1}{4}$ NE $\frac{1}{4}$ Section 27, T.20S., R.61E., M.D.M.

Nevada Revised Statutes provide that failure for five (5) successive years to use beneficially all or any part of the underground water for the purpose for which such right has been acquired shall work a forfeiture to the use of such water to the extent of such nonuse.

Records, evidence and information on file in the Office of the State Engineer indicate that there has been no beneficial use of water under the subject Certificate and Permit for a period in excess of five (5) successive years.

It is hereby ordered that Certificate 2855 (Permit 10612) is declared forfeited in its entirety.
