

IN THE OFFICE OF THE STATE ENGINEER
STATE OF NEVADA

ORDER

Richfield Oil Corporation
P. O. Box 75007 Sanford Station
Los Angeles, California 90005

Certificate 4339 (Permit 14479) was issued for 0.01 c.f.s. of water from an underground source for quasi-municipal purposes. The point of diversion of water from the source is described as being within the SW $\frac{1}{4}$ NW $\frac{1}{4}$ Section 16, T.21S., R.61E., M.D.M.

Nevada Revised Statutes provide that failure for five (5) successive years to use beneficially all or any part of the underground water for the purpose for which such right has been acquired shall work a forfeiture to the use of such water to the extent of such nonuse.

Records, evidence and information on file in the Office of the State Engineer indicate that there has been no beneficial use of water under the subject Certificate and Permit for a period in excess of five (5) successive years.

It is hereby ordered that Certificate 4339 (Permit 14479) is declared forfeited in its entirety.
