

IN THE OFFICE OF THE STATE ENGINEER
STATE OF NEVADA

ORDER

Frank Allen and Jack Wollenzien
P. O. Box 948
Las Vegas, Nevada 89101

Certificate 4625 (Permit 15029) was issued for 0.0025 c.f.s. of water from an underground source for stock watering purposes. The point of diversion of water from the source is described as being within the NE $\frac{1}{4}$ NE $\frac{1}{4}$ Section 4, T.23S., R.61E., M.D.M.

Nevada Revised Statutes provide that failure for five (5) successive years to use beneficially all or any part of the underground water for the purpose for which such right has been acquired shall work a forfeiture to the use of such water to the extent of such nonuse.

Records, evidence and information on file in the Office of the State Engineer indicate that there has been no beneficial use of water under the subject Certificate and Permit for a period in excess of five (5) successive years.

It is hereby ordered that Certificate 4625 (Permit 15029) is declared forfeited in its entirety.

Roland D. Westergard
State Engineer

Dated this 21st day of
January, 1977.
