

IN THE OFFICE OF THE STATE ENGINEER
OF THE STATE OF NEVADA

* * * * *

O R D E R

Mr. Max Swanger
Dyer, Nevada 89010

A recent investigation indicates that land located in the NW $\frac{1}{4}$ of Section 22, T.4S., R.36E., M.D.B. & M., is being irrigated. The records of the Esmeralda County Assessor show that you are the owner of said land. Application 22873 was filed by M. E. Swanger on November 29, 1965, to appropriate water for the irrigation of said land. Application 22873 was cancelled on December 22, 1966.

Nevada Revised Statutes 534.050, Subsection 3, provides as follows: "Any person using water after a permit has been withdrawn, denied, cancelled, revoked or forfeited is guilty of a misdemeanor. Each day of violation of this subsection shall constitute a separate offense and be separately punishable."

Records in this office indicate that there are no existing rights to divert and use water to irrigate land in the NW $\frac{1}{4}$ of Section 22, T.4S., R.36E.

You are hereby notified and ordered to cease and refrain from diverting water to the described land.

William J. Newman
State Engineer

Dated at Carson City, Nevada

this 31st day of MARCH, 1981.
