

IN THE OFFICE OF THE STATE ENGINEER
OF THE STATE OF NEVADA

O R D E R

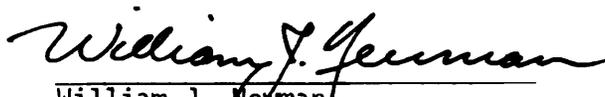

Mr. Russell J. Harrison
464 Tumbleweed
Bishop, California 93514

A recent investigation indicates that land located in the NE $\frac{1}{4}$ of Section 5, T.4S., R.36E., M.D.B. & M., is being irrigated. The records of the Esmeralda County Assessor show that you are the owner of said land. Application 32046 was filed by Russell J. Harrison on June 13, 1977, to appropriate water for the irrigation of said land. Application 32046 was denied on March 31, 1978.

Nevada Revised Statutes 534.050, Subsection 3, provides as follows:

"Any person using water after a permit has been withdrawn, denied, cancelled, revoked or forfeited is guilty of a misdemeanor. Each day of violation of this subsection shall constitute a separate offense and be separately punishable." Records in this office indicate that there are no existing rights to divert and use water to irrigate land in the NE $\frac{1}{4}$ of Section 5, T.4S., R.36E.

You are hereby notified and ordered to cease and refrain from diverting water to the described land.

William J. Newman
State Engineer

Dated at Carson City, Nevada
this 31st day of MARCH, 1981.
