You have caused a well to be drilled within the NE $\frac{1}{4}$  NE $\frac{1}{4}$  Section 17, T.25S., R.57E., M.D.B.&M., Parcel No. 590-420-004 of the Clark County Records.

The location of the well is within the area designated and described under Order No. 701 "Designating and Describing the Mesquite Valley (Sandy Valley) Ground Water Basin, Clark County, Nevada" dated January 5, 1978, made and entered in accordance with NRS 534.030.

You have caused this well to be drilled by an unlicensed driller contrary to NRS 534.160, section 1, which provides: "No person shall drill a well for water in this state without having first obtained a well drilling license as provided in NRS 534.140 to 534.170, inclusive.

Part 8.03 of Regulations for Drilling Water Wells as revised and adopted on April 10, 1981, by the Nevada Division of Water Resources of the Department of Conservation and Natural Resources provides "any well drilled by an unlicensed person, who is not under the direct supervision of a licensed water well driller must be plugged at the expense of the person owning or drilling the well in accordance with part 14 of these regulations."

NRS 534.160, section 5, provides: "The State Engineer shall order any person who drills a well without a license to plug that well. If the well is not plugged within 30 days after the Order, the State Engineer shall plug the well at the expense of the person who owned or drilled the well."

THEREFORE, you are hereby ordered to immediately cease and desist any diversion of water from said well and are further ordered to plug said well in accordance with part 14 (Plugging Wells) of the State Engineer's Regulations for Drilling Water Wells as set forth in Chapter 534 of the Nevada Administrative Code. The well must be plugged within 30 days of the date of this Order by a driller licensed in the State of Nevada.
