Application 24896 was filed on February 4, 1969,
for permission to appropriate the public waters of the State
of Nevada.

A permit was granted under the provisions of NRS 534.120
and issued subject to revocation when water was available from
an entity such as a water district or a municipality engaging
in furnishing water.

Water is now available from the City of North Las Vegas
District and the City of North Las Vegas is, in fact, presently
providing water service.

IT IS HEREBY ORDERED that Permit 24896 is revoked and
no further proceedings shall be had thereunder.

IT IS ALSO ORDERED that the well drilled under these permits
be plugged in accordance with Part 14 of the State of Nevada,
Division of Water Resources "Regulations for Drilling Water
Wells" and that plugging be completed within 60 days from the
date of this order.
