Application 26290 was filed on September 3, 1971,  
for permission to appropriate the public waters of the State  
of Nevada.

A permit was granted under the provisions of NRS 534.120  
and issued subject to revocation when water was available from  
an entity such as a water district or a municipality engaged  
in furnishing water.

Water is now available from the Las Vegas Valley Water  
District and the District is, in fact, presently providing  
water service.

IT IS HEREBY ORDERED that Permit 26290 is revoked and  
no further proceedings shall be had thereunder.

IT IS ALSO ORDERED that the well drilled under these permits  
be plugged in accordance with Part 14 of the State of Nevada,  
Division of Water Resources "Regulations for Drilling Water  
Wells" and that plugging be completed within 60 days from the  
date of this order.
