

IN THE OFFICE OF THE STATE ENGINEER
STATE OF NEVADA

ORDER

Mr. H. D. Gerken
Post Office Box 1001
Las Vegas, Nevada

Certificate 2671 (Permit 10301) was issued for 0.0473 c.f.s. of water from an underground source for irrigation and domestic purposes. The point of diversion of water from the source is described as being within the SE $\frac{1}{4}$ SE $\frac{1}{4}$ Section 32, T.20S., R.61E., M.D.M.

Nevada Revised Statutes provide that failure for five (5) successive years to use beneficially all or any part of the underground water for the purpose for which such right has been acquired shall work a forfeiture to the use of such water to the extent of such nonuse.

Records, evidence and information on file in the Office of the State Engineer indicate that there has been no beneficial use of water under the subject Certificate and Permit for a period in excess of five (5) successive years.

It is hereby ordered that Certificate 2671 (Permit 10301) is declared forfeited in its entirety.

Roland D. Westergard
State Engineer

Dated this 15th day of
March, 1977.
