

IN THE OFFICE OF THE STATE ENGINEER
OF THE STATE OF NEVADA

O R D E R

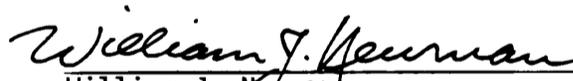

Mr. William Burnaugh
P. O. Box 787
Carson City, Nevada 89701

This office has determined by field investigation that Parcel No. 11 in the NE¼ of Section 23, T.15N., R.19E., M.D.M., is being irrigated from a pump in King's Canyon Creek. Records in the Carson City Assessor's office indicate that said parcel is owned by William Burnaugh.

Chapter 533 of the Nevada Revised Statutes require compliance for the diversion and use of the public water.

No right to divert and use the water of King's Canyon Creek is of record in the office of the State Engineer that is appurtenant to the subject parcel.

Therefore, you are hereby ordered to immediately remove said pump and cease the above illegal diversion and use of the waters of King's Canyon Creek.
