I, James M. Ryan, being first duly sworn, depose and say that the above map is a true and accurate plat of the lands irrigated by United States Department of Agriculture, Forest Service, as taken from the field notes of a survey made by me (by estimating courses and distances from 1/4 corner within the enclosed NE 1/4, NW 1/4, Section 20) completed on the 6th day of November, 1917.

That the map and survey were made, at my instance, in behalf of the Forest Service and that it truly represents the irrigated lands of said Forest Service.

James M. Ryan
Surveyor - Forest Ranger.

Subscribed and sworn to before me
this 18th day of April, 1918.
