I, E. C. McClellan, being first duly sworn, depose and say that the above map is a true and accurate plat of the irrigation works, as taken from the field notes of a survey made by me, completed on the 12th day of June, 1913; that such survey was made at the instance of Pete Arena Company; that the map represents the works described in Application for Permission to Change the Place of Use of Water under Application No 4478, together with the location of streams and ditches in the immediate vicinity.

Subscribed and sworn to before me
