I, G. S. Quate, being first duly sworn, depose and say that
this map, consisting of 1 sheet has been correctly drawn to the
designated scale from field notes of a survey made by me on the
25th day of May 1928; that it truly and correctly represents the
location and extent of the completed works used to divert water
from Pipe Spring No. 1 in White Pine County by Glen A. Bellander
for stockwatering purposes. That the actual point of diver-
sion, the approximate location and size of diverting channel, the
place and manner of use, and the location and names of all other
works or streams which are crossed by, or connected with the said
works, are fully and correctly designated thereon.
