I, Frank Walker, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me on the 7 day of August 1937; that it truly and correctly represents the location and extent of the works used to divert water from Johnson Spring, in Lincoln County, by Clark C. Johnson, for irrigation and domestic purposes. That the proposed point of diversion, the approximate location of diverting ditches and reservoir and all other works in the vicinity, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

*Frank Walker*  
State Water Right Surveyor

Subscribed and sworn to before me this 18 day of Sept. 1937.

*J. K. ...*  
Notary Public in and for Lincoln County Nevada.
