

STATE OF NEVADA }  
 County of Lander } SS

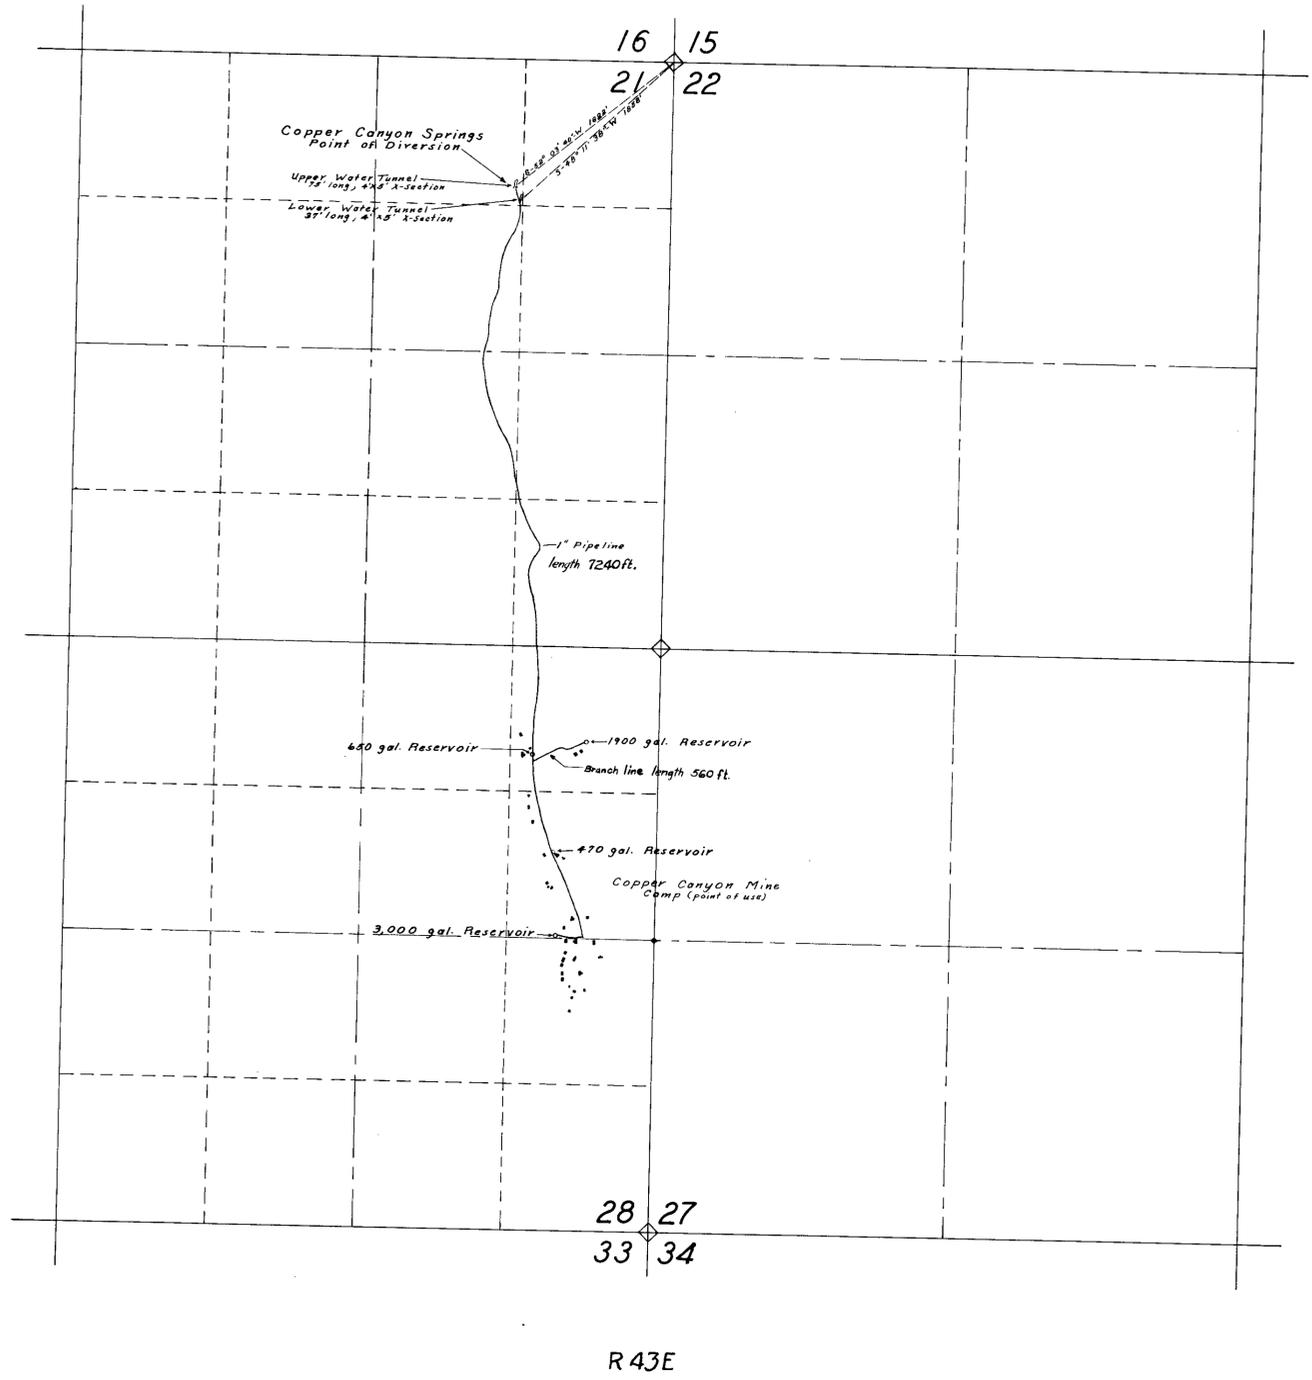

I, James R. Wilson, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the scale designated from field notes of a survey made under my supervision and direction between the 5th day of September 1944 and the 29th day of October 1944; that it truly and correctly represents the location and extent of the works used to divert water from Copper Canyon Springs in Lander County, by Copper Canyon Mining Company for domestic purposes; that the point of diversion, the location and size of the diverting conduit, the place and manner of use, and the location and names of all other work or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.
