I, Thos. R. King, being first duly sworn, depose and say, that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision between August 1 and September 15, 1943; that it truly and correctly represents the location and extent of the works used to divert water from the Truckee River, in Washoe County, by Joseph L. Raffetto for irrigation purposes. That the points of diversion, the approximate location of the diverting channel, the location and extent of the lands upon which the water is used, together with the area and kind of culture in each 40-Acre subdivision, and the locations and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Thos. R. King  
state Water Right Surveyor

Subscribed and sworn to before me this 20<sup>th</sup> day of September 1943

Notary Public in and for Washoe County, Nevada.
