 I, Jack Asher, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on Dec. 29, 1956; that it truly and correctly represents the location and extent of the works to divert water from Pahrump Valley Basin, in Nye County, by:
 J. F. LOTTERER, JR. for Irrigation purposes under Application No 11038.
 That the point of diversion, the location and extent of lands owned by the applicant upon which water applied for under application No 11038 is used, together with the area and kind of culture in each 40-acre subdivision, are fully and correctly designated thereon.
