I, Harry H. Hughes, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on March 1, 1956; that it truly and correctly represents the location and extent of the works used to divert water from an underground source, in Esmeralda County, by Ford Farris, for irrigation purposes under application No. 11206.
